## Editorial and publication schedule

Issue number	Main theme	Products/groups of products that can also be advertised under the main theme.
January <b>1</b>	Publication date: 29.01.2011 Closing date: 05.01.2011	<ul style="list-style-type: none"> <li>• <b>Site installations:</b> signal and barrier equipment for construction sites, sites huts and containers, power supply and generators.</li> <li>• <b>Masonry work:</b> Bricking machinery, stone cutting machines, wall saw machines, rendering machines, mortar pumps, core drilling machines.</li> <li>• <b>Construction equipment and tools:</b> Compressors, compressed-air and hydraulic machines, electrical tools, circular saws, laser for construction use.</li> </ul>
February <b>2</b>	Publication date: 26.02.2011 Closing date: 03.02.2011	<ul style="list-style-type: none"> <li>• <b>Construction machinery technology</b> <b>Transmission engineering:</b> Engines, gear units, axles, track-laying chassis and spare parts, tires, crawlers. <b>Hydraulic fluid power transmissions:</b> Pumps, motors, cylinders, valves, hoses, coupling, filters, assemblies. <b>Equipment, accessories and wearing parts, attachments:</b> Drivers' cabs, seats, buckets, teeth, cutting strips. <b>Maintenance:</b> Petrol and lubricants, mobile units for maintenance.</li> </ul>
March <b>3</b>	Publication date: 31.03.2011 Closing date: 03.03.2011	<ul style="list-style-type: none"> <li>• <b>Machinery and equipment for earth moving, road construction, civil engineering, concrete processing.</b> <b>Attachments and accessories:</b> Hydraulic hammers, road sweepers, mill equipment, wrecking grapple. <b>Machinery and plants for the recycling of building materials:</b> Crushers, screens, hydraulic breakers.</li> <li>• <b>Formwork and scaffolding:</b> Wall and floor formwork systems, formwork accessories, work and protective scaffolding, construction lifts and winches.</li> </ul> <p><b>EXTRA DETAILS: Construction Vehicles</b> Tippers, dumper trucks, trailers, low-loaders, truck-mounted cranes.</p>
April <b>4</b>	Publication date: 30.04.2011 Closing date: 07.04.2011	<ul style="list-style-type: none"> <li>• <b>Lifting and conveying:</b> Tower cranes, mobile cranes, truck-mounted cranes, telescopic handlers, platforms, construction lifts, conveyors, ropes, lifting slings and chains.</li> </ul>
May <b>5</b>	Publication date: 24.05.2011 Closing date: 03.05.2011	<ul style="list-style-type: none"> <li>• <b>Civil engineering, tunnelling</b> <b>Machinery and equipment for the construction of galleries and tunnels:</b> Roadheaders, tunnel boring machines, drilling vehicles. <b>Machinery and equipment for the construction of canals and sewerage:</b> Canal sheeting equipment, horizontal drilling systems, hydraulic pipe pushers, canal construction systems, sewer renovation and repair, ground water lowering plants. <b>Special foundation:</b> Vertical drilling systems, pile driving plants, pulling tools.</li> </ul>
June <b>6</b>	Publication date: 30.06.2011 Closing date: 01.06.2011	<ul style="list-style-type: none"> <li>• <b>Earth moving and road construction:</b> Excavators, loaders, scrapers, bulldozer and graders, attachments, asphalt road finishers, joint cutters, road milling cutters, paving stone laying machines.</li> <li>• <b>Machinery and plants for the recycling of building materials:</b> Crushers, screens, conveyors, hydraulic breakers.</li> </ul> <p><b>EXTRA DETAILS: Construction Vehicles</b> Tippers, dumper trucks, trailers, low-loaders, truck-mounted cranes.</p>
July/August <b>7/8</b>	Publication date: 30.07.2011 Closing date: 07.07.2011	<ul style="list-style-type: none"> <li>• <b>Formworks and scaffolding:</b> Wall and floor formwork systems, formwork accessories, work and protective scaffolding, construction lifts and winches.</li> <li>• <b>Concrete processing and masonry works:</b> Bricking machinery, stone cutting machines, wall saw machines, core drilling machines, rendering machines, mortar pumps, platforms, construction lifts, concrete pumps and mixers, concrete guns, compactors, mobile mixers, smoothing machines.</li> </ul>
September <b>9</b>	Publication date: 24.09.2011 Closing date: 30.08.2011	<ul style="list-style-type: none"> <li>• <b>Earth moving machinery</b> <b>Earth moving:</b> Excavators, loaders, scrapers, bulldozers and graders. <b>Road construction:</b> Asphalt road finishers, joint cutters, road milling cutters, paving stone laying machines. <b>Construction machinery technology:</b> engines, gear units, axles, track-laying chassis and spare parts, tires, crawlers. <b>Hydraulic fluid power transmissions:</b> Pumps, motors, cylinders, valves, hoses, coupling, filters, assemblies, drivers cabs, seats, buckets, teeth, cutting strips. <b>Maintenance:</b> Petrol and lubricants, mobile units for maintenance.</li> </ul> <p><b>EXTRA DETAILS: Construction Vehicles</b> Tippers, dumper trucks, trailers, low-loaders, truck-mounted cranes.</p>
October <b>10</b>	Publication date: 31.10.2011 Closing date: 06.10.2011	<ul style="list-style-type: none"> <li>• <b>Civil engineering, tunnelling</b> <b>Machinery and equipment for the construction of galleries and tunnels:</b> Roadheaders, tunnel boring machines, drilling vehicles <b>Machinery and equipment for the construction of canals and sewerage:</b> Canal sheeting equipment, horizontal drilling systems, hydraulic pipe pushers, canal construction systems, sewer renovation and repair, ground water lowering plants. <b>Special foundation:</b> vertical drilling systems, pile driving plants, pulling tools.</li> </ul>
November <b>11</b>	Publication date: 29.11.2011 Closing date: 03.11.2011	<ul style="list-style-type: none"> <li>• <b>Formworks and scaffolding:</b> Wall and floor formwork systems, formwork accessories, work and protective scaffolding, construction lifts and winches.</li> <li>• <b>Concrete processing and masonry works:</b> Bricking machinery, stone cutting machines, wall saw machines, core drilling machines, rendering machines, mortar pumps, platforms, construction lifts, concrete pumps and mixers, concrete guns, compactors, mobile mixers, smoothing machines.</li> <li>• <b>Lifting and conveying:</b> Tower cranes, mobile cranes, truck-mounted cranes, telescopic handlers, platforms, construction lifts, conveyors, ropes, lifting slings and chains.</li> </ul>
December <b>12</b>	Publication date: 15.12.2011 Closing date: 24.11.2011	<ul style="list-style-type: none"> <li>• <b>Maintenance of machinery and vehicles:</b> Petrol and lubricants, mobile units for maintenance</li> <li>• <b>Management knowledge:</b> Organization, software, financing, leasing</li> </ul> <p><b>EXTRA DETAILS: Construction Vehicles</b> Tippers, dumper trucks, trailers, low-loaders, truck-mounted cranes.</p>

### TRADE FAIRS

Samoter,  
Verona (I) 02. – 06.03.  
Viatic, Bozen (I) 17. – 20.03.

### TRADE FAIRS

HANNOVER MESSE,  
Hannover 04. – 08.04.  
SMOPYC,  
Zaragoza (E) 05. – 09.04.  
RESALE, Stuttgart 06. – 08.04.

### TRADE FAIR

TiefbauLive +  
recycling aktiv,  
Baden Airpark 18. – 20.05.

### TRADE FAIR

Demopark,  
Eisenach 26. – 28.06.

### TRADE FAIRS

Platformers' Days,  
Hohenroda 26. – 27.08.  
Steinexpo,  
Niederofleiden 31.08. – 03.09  
NORDBAU,  
Neumünster 08. – 13.09.

### TRADE FAIRS

BAUTECH, Berlin 29.09. – 02.10.  
Sala, Bologna (I) 05. – 08.10.

### TRADE FAIR

AGRITECHNICA,  
Hannover 15. – 19.11.

### TRADE FAIR

DEUBAU,  
Essen 10. – 14.1.2012
